Subject: Request for Lecture Notes and Missed Announcements

Dear Professor,

My name is Ananya, a student of KLH University. I am writing to inform you that I was unable to attend the recent lecture due to illness and would like to catch up on the material covered.

Could you please share the lecture notes or slides from the missed class? I would also appreciate it if you could let me know about any important announcements, assignments, or updates that were discussed during the lecture.

I will make sure to review the material and complete any pending work at the earliest. Kindly share the required materials and information when convenient.

Thank you for your understanding and support.

Yours sincerely,

ANANYA
